Please fill out your proposed schedule for next semester. Days, times and the CRN are not required, but course titles or the course code must be filled in. This will enable your advisor to better assist you concerning your hold and any questions you may have.

When building your schedule for next semester you want to continue with your sequence in required areas (e.g. English and Math) while starting to work more in your fields of Major and Minor. Pick at least one class in each area and then fill in with other requirements and personal interest courses.

I will take for next semester:

- Engl 102
- Math 120
- Hist 101 (Humanities Core)
- MA 210 (Fine Arts Core)
