Tips for using the Semester at a Glance calendar

- Collect all of the Syllabi and/or course schedules for your classes.
- Select a different color pen or highlighter for each course.
 - For Example
 - English (ENGL) - green
 - Math - blue
 - etc.
- Write in the corresponding date boxes when each major assignment is due.
 - For example, in April 3 box I could write “ENGL Paper2” in green
- Write in the corresponding date boxes for all exams and quizzes.
- As you go through the semester, cross off the days--this will help you feel and see the progress you are making!
- Put this page in a place where you can look at it each day:
 - For example:
 - Post this above your work space at home
 - Put in a page protector to keep in the front of your organizer or binder
 - Take a picture of it and save it in your phone
 - If you use an agenda, staple it into the agenda.
