DISTINGUISHED SUPPORT

Supporting student groups –
recognizing the individual

San Juan College was recognized as second in the nation, out of 1,108 community colleges, to award degrees to Native American students and first in the country issuing certificates of one year or less.

SAN JUAN COLLEGE NATIVE AMERICAN RESOURCES

San Juan College's ENLACE (Engaging Latino Communities for Education) program aims to increase the educational opportunities for students who have been traditionally underrepresented in institution of higher learning.

SAN JUAN COLLEGE HERENCIA LATINA RESOURCES

For the fifth consecutive year, San Juan College earned the distinction as one of the nation's Top Military Friendly Schools. The special awards are published by Military Friendly Schools and Employers at militaryfriendly.com.

2020-2021 Military Friendly® School

San Juan College once again earned the distinction as one of the nation's Top Military Friendly® Schools for 2020-21. The prestigious list of schools sets the standard for higher education in providing the best opportunities for veterans and their spouses.

As a Military Friendly® School, San Juan College Veteran Center provides veterans with transitional assistance to promote goal achievement through a quality educational experience necessary to become competitive, adaptable, and successful in an ever-changing civilian environment.
