Transfer & Branch Transition Exploration Day

AFTERNOON AGENDA - Choose Your Own Adventure!

- Multiple activities will be happening at the same time.
- You decide which ones to join based on your interests and goals.
- Explore, connect, and create your own path through the afternoon's events!

1:00 PM - 3:00 PM

CAMPUS CONNECTIONS FAIR

This event is beneficial to all students but especially our current and future transfer and transition students are invited to attend the Campus Connections Fair. Several different UNM Albuquerque Campus departments, programs, offices, and student groups will host an information table where you can chat with a representative, make connections, and take home valuable information and maybe even some fun UNM swag!

Location: Union Square Tree Planters (just outside northern doors of SUB-Level 1)

FAFSA & FINANCIAL AID GUIDANCE

Got questions about the financial side of your transfer? The EOC TRIO team has you covered! Staff will be on hand to give you one-on-one support with everything from completing your FAFSA, to figuring out which forms you need, to making sure you're financially ready for your next step. Don't forget—the 2026-27 FAFSA will already be open, and UNM's priority deadline is January 31. Take advantage of this chance to get ahead!
